

Terms of Use / Privacy Policy

These terms and conditions outline the rules and regulations for the use of Looper.

By accessing to the Service, we assume you accept these terms and conditions in full. You may not use Looper if you do not accept all of the terms and conditions stated on this page.

Basic Introduction

In order to use the service or access the content, you are agreeing to the following terms and conditions.

Looper does NOT claim ANY ownership rights in the images, photos, video, works of authorship, or any other materials (collectively, "Content") that you created, you are solely responsible for all the Content that you create using the Service.

It is your responsibility to make sure your use of the Services is legal where you use them. And you retain the rights to all the Content you created.

Privacy Policy

Protecting your privacy is important to us. We hope the following statement will help you understand how Looper deals with the personal identifiable information ('PII') you may occasionally provide to us via Internet .

Generally, we do not collect any PII from you when you download our iOS, Android applications. To be specific, we do not require the consumers to get registered before downloading the application, nor do we keep track of the consumers' visits of our application, we even don't have a Server to store such PII.

The only situation we may get access to your PII is when you personally decide to email us your feedback or to provide us with a bug report. The PII we may get from you in that situation are strictly limited to your name, email address and your survey response only.

In above situation, we guarantee that your PII will only be used for contacting you and improving our services. We will never use such information (e.g. your name and email address) for any other purposes, such as to further market our products, or to disclose your personal information to a third party for commercial gains.

It should be noted that whether or not to send us your feedback or bug report is a completely voluntary initiative upon your own decision. If you have concern about your PII being misused, or if you want further information about our privacy policy and what it means, please feel free to email us at apps@iokanan.com, we will endeavor to provide clear answers to your questions in a timely manner.

User Data

All user personal, digital (such as images or videos) data is private and is not accessible to the Looper team nor any third party service. The only information that is available to third party services are shared information that gives a better experience between users and advertisers. This information is only shared if the user desires to and accepts to share this information to our third party advertisers.

Subscription Terms

1. Trial

We may offer a trial subscription for service. Unless you cancel at least 24 hours before the end of the trial, you will be automatically charged a price indicated on the payment screen for a chosen subscription period.

2. Subscription

The subscription renews automatically at the end of each period (each month or 12 months depending on the option selected by you at the time of purchase) until you cancel.

3. Payment method

Payment will be charged to the registered payment method you submitted on your Apple ID or Google Play account at the billing configuration at confirmation of purchase. You authorize us to charge the applicable fees to the payment method that you submit.

4. Cancellation

Cancelling your subscription means that the automatic renewal will be disabled, but you will still have access to all your subscription features for the remaining time of then-current period. Note that deleting the app does not cancel your subscriptions.

If you purchased a subscription or enabled trial on App Store: You can cancel a trial or a subscription anytime by turning-off autorenewal through your Apple ID account settings. To avoid being charged, cancel the subscription in your Apple ID account settings at least 24 hours before the end of the trial or then-current subscription period. You alone can manage your subscriptions. Learn more about managing subscriptions (and how to cancel them) on [Apple support page](#).

If you purchased a subscription or enabled trial on Google Play: You can cancel a trial or a subscription anytime by turning off auto-renewal through your Google Play account settings. To avoid being charged, cancel the subscription in your account settings at least 24 hours before the end of the trial or then-current subscription period. You alone can manage your subscriptions. Learn more about managing subscriptions (and how to cancel them) on Google's support page.

5. Changes

To the maximum extent permitted by applicable laws, we may change subscription fees at any time. We will give you reasonable notice of any such pricing changes by posting the new prices on the app and/or by sending you an email notification, or in other prominent way. If you do not wish to pay the new fees, you can cancel the applicable subscription prior to the change going into effect.

6. Refunds

If you purchased a subscription or enabled trial on App Store: If you are eligible for a refund, you'll have to request it directly from Apple. To request a refund, follow these instructions from the Apple support page.

If you purchased a subscription or enabled trial on Google Play: If you are eligible for a refund, you'll have to request it directly from Google. To request a refund, follow these instructions from the Google's support page.
